DETAILED ACTION

Allowable Subject Matter

1. Claims 1 thru 25, 34 thru 39, 41 and 42 are allowed.
2. The following is an examiner's statement of reasons for allowance: The references of record, either singularly or in combination, do not teach or suggest at least a semiconductor device comprising: an active matrix circuit having at least one first thin film transistor; and a driving circuit having at least one second thin film transistor, each of said first and second thin film transistors comprising: a semiconductor film wherein said semiconductor film includes a channel forming region, a pair of first regions containing an impurity for giving one conductivity type thereto, and a pair of second regions in which a concentration of said impurity is smaller than that in said first regions, wherein a distance between edges of the channel forming region and edges of the pair of first regions of said first thin film transistor is greater than that of said second thin film transistor.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
